## CAREER OBJECTIVE

Dedicated full-stack developer with hands-on experience in building robust front-end and back-end solutions. Committed to solving real-world problems, delivering seamless user experiences, and thriving in collaborative, team-oriented environments.

## EDUCATION

**Bachelors of Technology in Information Technology** 2022 – 2026

M. Kumarasamy College of Engineering | CGPA – 8.014(Till 6<sup>th</sup> Semester).

**Higher Secondary School** 2021 – 2022

P A Vidya Bhavan Higher Secondary School | Percentage – 84.5%.

**Secondary School Leaving Certificate** 2019 – 2020

P A Vidya Bhavan Higher Secondary School | Percentage – 85.4%.

## PROJECTS

**Complaint Management System -**  2024 – 2025

**Stack** – jQuery, PHP, MySQL

- Developed a web-based system for college to streamline the reporting and resolution of infrastructure-related complaints.
- The platform automates approvals involving department heads, managers, and principals, and assigns tasks to worker teams.

**Realtime\_Auction -**  2023 – 2024

**Stack** – MERN

- Developed a real-time auction platform using the MERN stack and Socket.IO, featuring live bidding, dynamic auction rooms, and secure JWT-based authentication with distinct buyer and seller roles for seamless interaction.

**Task Manager -**  2025

**Stack** – Java Script, PHP (Laravel), MySQL

- Designed and developed a task management web application using Laravel to help users efficiently create, assign, and track tasks. Implemented user authentication, role-based access, deadline reminders, and real-time status updates to enhance productivity and collaboration.

## AREA OF INTEREST

- Full Stack Development
- DataBase Management System

## SKILLS

---

### Technical Skills

- **Programming Languages:** Java, Python, C
- **Web Technologies:** Php, JS, MERN, Ajax.
- **Databases:** MySQL, Mongo DB.
- **Tools & Frameworks:** Laravel, Bootstrap, Git

### Soft Skills

- Leadership Skills
- Critical Thinking
- Communication Skills

## CERTIFICATES AND COURSE COMPLETION

---

- Certified in java, software engineering and industrial IOT from NPTEL.
- Completed JavaScript essentials from Cisco.
- Certified in PHP and MySQL from Stack Queue.
- Certified in Azure fundamentals by Microsoft.

## ACHIEVEMENTS AND AWARDS

---

- Presented a paper titled “Enhancing livestock Management through innovative solutions for effective trading practices” in Fifth International Conference on Sustainable Communication Networks and Applications(ICSCNA-2024)
- Finalist in National Level Hackathon at Coimbatore Institute of Technology.
- Participated in Hackathons – AI Conclave 1.0 (Kongu Engineering College) and Hack the Vault (Nandha College of Technology, Erode)

## CO - CURRICULAR

---

- Selected participant in the Technology Innovation Hub for web technology training, chosen among 35 students for the academic year.
- Published an IEEE research paper at the International Conference on Engineering Solutions and Technology, organized by Erode Sengunthar Engineering College.

## EXPERIENCE

---

- **Full Stack Developer** – *Technology Innovation Hub* | 2024–2025
- Worked on end-to-end development of web applications, contributing to both frontend and backend systems.

## HOBBIES & INTERESTS

---

- Listening to music and speeches by influential personalities
- Practicing programming on LeetCode and similar platforms
